FACIAL TREATMENTS

The Guinot Hydradermie facial helps maintain a balanced, healthy complexion, deep-cleansing, oxygenating and regenerating the skin. Regular treatments offer immediate and lasting results, improving hydration in dry skin, reducing sebum levels in oily skin and reducing average wrinkle depth in ageing skin. Our facials use the Hydraderm machine (unique to Guinot) that helps active ingredients penetrate the skin. All facials are fully-customised to suit your skin-type.
